LEGAL FEES

Why pay excessive legal fees? Using solicitors need not be an expensive business.

We understand that using solicitors may be an expensive business and our firm prides itself on providing our clients with one of the best value legal / tax services available on the Costa del Sol and Spain. Due to its system of work, **MarbellaSolicitors, SLP** can provide its clients with professional legal and fiscal services at very competitive fees.

More than just Legal & Tax Services

If you shop around for a competitively priced solicitor you will find that our legal fees are reasonable. For instance, the typical cost for solicitors involved in the conveyancing process is between 1% and 1.5% of the property purchase price (excluding VAT and expenses). Our standard fees for carrying out this work is 0.75% of the purchase price (including VAT and expenses). We are sure our services are one of the cheapest.

We promise that we will always inform you in advance how much we expect our work to cost. You will know from the beginning how much you are going to pay for our services. Once we have told you our proposed fee for carrying out the work, this figure is fixed and will not be changed in the future.

For further information on our legal fees, please do not hesitate to contact us without obligation at mail@marbellasolicitors.com. We will be pleased to study your particular case and give you, free of charge, an estimation of legal fees and costs.
