TESTIMONIALS

Why our clients trust in us? Here is what our clients have to say about us

“ We first discovered Marbella Solicitors when my wife and I were looking to buy a property in Spain. We found a young, enthusiastic team of lawyers prepared to work hard to ensure we got what we needed and at a price that was so much more reasonable than we had been quoted elsewhere. The transaction completed on time and at the cost specified. Needless to say, we have remained clients and friends and have asked them to do several other things like filing taxes and organising Spanish wills”.

Wendy Tobitt (Almogia - Malaga)

"When I first decided to live in Spain, I knew I would need a professional, affordable, and above all, reliable Solicitor. Marbella Solicitors came highly recommended to me by a friend - a forensic accountant - who knew a thing or two about the law and taxes! Marbella Solicitors had helped him successfully resolve an extremely complex business venture in the Sierra de Ronda.

Marbella Solicitors showed the same integrity and professionalism when I first met the team in Marbella. Jose and Eduardo produced a plan for my retirement to Spain covering all the necessary legal and financial requirements that would need to be completed during the first 3 years. They ensured a successful beginning to my new life here. Now, 6 years later, Marbella solicitors continue to support me in all my personal legal and taxation matters. Marbella Solicitors came highly recommended to me, and I highly recommend them to you in turn!"

Tim Turner (Mijas Costa – Malaga)

Mr and Mrs Reading (Jimena de la Frontera- Cadiz)

" I would like to thank you for your professional assistance. I am amazed at how Marbella Solicitors understood our urgent requirements, and without hesitation committed to delivering this for us at the required time. We will certainly keep your company at the back of our head for future needs."

Mr & Mrs Thomson (Motril – Granada)

“Since undertaking the purchase of a plot of land and the building of a house some years ago, I have had the invaluable assistance and expertise of Marbella Solicitors and Jose Lopez-Avalos in particular. He has guided me through the whole process with an expert hand and continues to provide an on-going service with tax arrangements and the resolution of any documentation queries. Accessible, prompt and trustworthy would be my description.”
