## ***DOUBLE TAX TREATIES***

***Get the right advice. Do not pay taxes twice !***

Spain has concluded double taxation treaties with several nations with which it has considerable trade and economic relations. Most European countries have double tax treaties with Spain.

Any individual or company resident or non-resident may deduct a foreign tax credit to avoid double taxation. So before paying any Spanish Tax possible double taxation treaties applicable to the taxpayer must be studied. We can provide you with a copy of any double taxation treaty signed between Spain and your own country.

***More than just Legal & Tax Services***

Spain has signed Double Tax treaties with many countries. A list of the countries and a copy of the tax treaties can be obtained from the web site of the Spanish Inland Revenue: [www.aeat.es](http://www.aeat.es)

For further information on Double Tax Treaties, please do not hesitate to contact us at [mail@marbellasolicitors.com](mailto:mail@marbellasolicitors.com). We will be pleased to study your particular case and explain how the Double tax treaty signed between Spain and your own country applies to you personally.
