## *EMPLOYMENT & INDUSTRIAL RELATIONS*

*Employment laws are complex and changeable in all countries.*

With the change of these laws, it is becoming increasingly important to take advice during the preparation of contracts.

If you are going to work or are already working in Spain we can guide you regarding contracts of employment, redundancy rights and obligations. We will explain how Spanish Employment Laws affect you, your rights and the necessary requirements (work and residence permits) to work legally in Spain.

Whether you are an employer or an employee we will protect your interests taking your case to Industrial Tribunals, if necessary.

For further information or any enquiry, please do not hesitate to contact us at [mail@marbellasolicitors.com](mailto:mail@marbellasolicitors.com). We will be pleased to study your particular case and help you to solve your employment problems or queries.
