GENERAL FISCAL REPORTS, ADVICE AND ASSISTANCE

Efficient and effective tax information to protect your interest.

We know that clients are demanding more and more customised services, better value and instant responses to enquires. As solicitors specialised in Tax matters, we offer the possibility of providing quick general tax advice or preparing written technical fiscal opinions on any kind of matter regarding Spanish Tax Laws.

We can also provide you with quick access to current Spanish Tax Laws in plain, understandable English.

More than just Legal & Tax Services

Fees, costs and time for preparing these kinds of written tax opinions cannot be given in advance. However, within 24 hours of receiving an enquiry, we will give you an estimation of our fees for preparing a written report and the time we need to prepare it.

In general, we provide a rigorous and precise written report on any tax matter within one week.

For further information on this service or requesting any written tax opinion, please do not hesitate to contact us at mail@marbellasolicitors.com. We will be pleased to study your particular case and provide you our technical fiscal opinion.
