## *GENERAL LEGAL REPORTS, ADVICE AND ASSISTANCE*

*Efficient and effective legal information to protect your interest.*

We know that clients are demanding more and more customised services, better value and instant responses to enquires. As solicitors, we offer the possibility of providing quick general legal advice or preparing written technical and legal opinions on any kind of matter regarding Spanish Law.

We can also provide you with quick access to current Spanish Laws in plain, understandable English.

*More than just Legal & Tax Services*

Fees, costs and time for preparing these kinds of written legal opinions cannot be given in advance. However, within 24 hours of receiving an enquiry, we will give you an estimation of our fees for preparing a written report and the time we need to prepare it.

In general, we provide a rigorous and precise written report on any legal matter within one week.

For further information on this service or requesting any written legal opinion, please do not hesitate to contact us at [mail@marbellasolicitors.com](mailto:mail@marbellasolicitors.com). We will be pleased to study your particular case and provide you our technical legal-fiscal opinion.
