## *PREPARATION & NEGOTIATION OF CONTRACTS*

*Well drafted terms and conditions will help you avoid disputes and save considerable time and money*

There is a Golden Rule in all countries: Do not sign any document (public or private) or agreement without consulting a solicitor.

It is vital that an experienced professional studies the terms and conditions of any agreements which have to be signed. Not following this Golden Rule can create many future problems and cost a lot of money, so before signing any document or agreement please contact a professional.

We have wide experience in preparing contracts:

- Private, commercial and trading agreements of all kinds.
- Rental contracts.
- Construction contracts.
- Purchase contracts.
- Loans & mortgages.

We can review, prepare and negotiate on behalf of our clients any kind of contract or document. Our fees for preparing, revising or negotiating contracts and agreements are reasonable. A figure cannot be given in advance because our fees can vary, depending on the complexity and type of the document, but an estimate will be provided within 24 hours.

For further information or if you require any assistance with a contract, please do not hesitate to contact us at [mail@marbellasolicitors.com](mailto:mail@marbellasolicitors.com). We will be pleased to study your particular case and help you to sign a trouble free agreement. Remember that well drafted terms and conditions will help you avoid disputes and save considerable time and money
